

Appendix

Appendix 1 : Generic formative assessment form to assess the non-technical skills

Appendix 2 : Cystoscopy Equipment Evaluation Form

Appendix 3 : TURP Equipment Evaluation Form

Appendix 4 : Urethrotomy Equipment Evaluation Form

Appendix 1: Continuous Assessment Scores

Participant..... Group.....
Assessor..... Date.....

Knowledge

- 1 = Not present / no participation
- 2 = Not to required standard
- 3 = Borderline (for discussion)
- 4 = Safe pass
- 5 = Excellent

Technical Ability

- 1 = Not present / no participation
- 2 = Limited skills; no progress
- 3 = Slow starter but steady improvement
- 4 = Safe pair of hands
- 5 = Natural talent / well above average

Judgment/Decision Making

- 1 = Not present / no participation
- 2 = Unable to take decision or arrogant, even when wrong
- 3 = Needs encouragement but makes correct decisions with support
- 4 = Safety first (good, but could be more confident)
- 5 = Excellent (confident without being arrogant)

Communication/Teamwork

- 1 = Not present / no participation
- 2 = Limited (either “avoids interaction” or “tries to take over”)
- 3 = Needs regular prompting /unsure/ detached from the team
- 4 = Solid team members; safe; communicates clearly
- 5 = Natural leader (speaks for group) / support other team members

Total continuous assessment score: ... /20

Appendix 2: Cystoscopy Equipment Evaluation Form

Trainee Name _____

Tutor name _____ Date _____

Pre-course Checklist	Post-course Checklist
Identify following	
Cystoscope sheath size	
Telescope	
0°	
30°	
70°	
Obturator	
Short bridge	
Long bridge	
Biopsy forceps	
Assemble following	
Cystoscopy set for diagnosis	
Cystoscopy set for stenting	
Cystoscopy and biopsy	

Kindly use following marking scheme

- 1 Correct
- 2 Needed prompting
- 3 Incorrect

Overall Performance

		Pre-Course	Post-Course
1	Can't recognise and assemble equipment		
2	Can recognise but can't assemble equipment		
3	Can recognise and assemble equipment with regular prompting		
4	Can recognise and assemble equipment with minimal prompting		
5	Can recognise and assemble equipment like an expert		

Appendix 3: TURP (resectoscope) Equipment Evaluation Form

Trainee name _____

Tutor name _____ Date _____

Pre-course Checklist	Post-course Checklist
Identify following	
Resectoscope outer sheath size	
Resectoscope inner sheath size	
Visual obturator	
Telescope	
30°	
Working element	
Cutting loop	
Roller ball	
Collin's knife	
Electrode	
Otis urethrotome	
Otis blade	
Ellik evacuator	
Assemble following	
Otis urethrotome	
Resectoscope for resection	
Resectoscope for coagulation	
Resectoscope for incision	
Ellik evacuator	

Kindly use following marking scheme

- 1 Correct
- 2 Needed prompting
- 3 Incorrect

Overall Performance

		Pre-Course	Post-Course
1	Can't recognise and assemble equipment		
2	Can recognise but can't assemble equipment		
3	Can recognise and assemble equipment with regular prompting		
4	Can recognise and assemble equipment with minimal prompting		
5	Can recognise and assemble equipment like an expert		

Appendix 4: Urethrotomy Equipment Evaluation Form

Trainee name _____

Tutor name _____ Date _____

Pre-course Checklist	Post-course Checklist
Identify following	
Urethrotome sheath	
Telescope	
0°	
Working element	
Sachse Knife	
Half sheath	
Assemble following	
Urethrotome to incise a stricture	

Kindly use following marking scheme

- 1 Correct
- 2 Needed prompting
- 3 Incorrect

Overall Performance

		Pre-Course	Post-Course
1	Can't recognise and assemble equipment		
2	Can recognise but can't assemble equipment		
3	Can recognise and assemble equipment with regular prompting		
4	Can recognise and assemble equipment with minimal prompting		
5	Can recognise and assemble equipment like an expert
